## ABOUT THE COLLEGE

Canara Engineering college was started in the year 2001 by Canara High School Association which was founded by Sri. Ammembal Subba Rao Pai in 1891. The founders wanted to build Institutions which would integrate the ancient Indian culture with modern scientific & technological growth education in its completeness. The Institute offers U.G. programmes in Computer Science, Information Science, Electronics & Communication, Electrical & Electronics and Mechanical Engg. and P.G program in Electronics and Computer Science Engineering. It is located in the picturesque surroundings of Benjanapadavu, approx. 22 km from Mangalore & 5 km from NH-48 near Farangipete. The campus is within quick & easy reach from Mangalore city which is well connected by road & air. The campus is sprawled over 26 acres, with well furnished & aesthetically designed buildings. The college is approved by AICTE, New Delhi & affiliated to VTU, Belgaum.

## CALL FOR PAPERS

National Joint Conference on Innovations in Engineering and Technology (NJCET) is a premier national forum for high quality research in the areas of Engineering & Technology. NJCET is being jointly organized by departments of CSE, ISE, ECE, EEE and Mechanical Engineering. Researchers, developers and practitioners from academia and industry are invited to present their research findings on various topics of Engineering & Technology and applications. The proceedings of NJCET will be published by the reputed publisher with ISBN.

## IMPORTANT DATES

Paper Submission Deadline : 18<sup>th</sup> April 2015  
Acceptance Notification : 22<sup>nd</sup> April 2015

NJCET 2015 encourages submissions in following main knowledge areas that define the five component conferences, namely: NCICS, NCIECE, NCIIS, NCIEPCE and NCFME.

### National Conference on Innovations in Computing Systems (NCICS 2015)

Multimedia Computing, Web Technologies, Networks and Security, Data Processing & Evolutionary Computing

### National Conference on Innovations in Electronics and Communication Engineering (NCIECE 2015)

Embedded system / VLSI Design, Signal / Image Processing / Control system, Communication and Networking, Digital and Analog Circuit Design

### National Conference on Innovations in Information Science (NCIIS 2015)

Data Mining, Software Engineering, Cloud Computing, Wireless Sensor Networks

### National Conference on Innovations in Energy, Power and Control Engineering (NCIEPCE 2015)

Energy Conservation and Management, Power Systems, Advanced power electronics, Advanced Control Engineering

### National Conference on Frontiers in Mechanical Engineering (NCFME 2015)

Thermal engineering, Design Engineering, Materials and Manufacturing, Management and Mechatronics

## PAPER SUBMISSION

Manuscripts offering high quality original and unpublished research, case studies and implementations are solicited. The manuscripts need to be formatted as SPRINGER single column conference format. The maximum length of manuscript needs to be of 8-pages. All submitted papers will undergo peer review by the program committee.

## SUBMISSION GUIDELINES
